17. The Judges' decision is **final**, and no correspondence will be entered into.

ELIGIBILITY AND DEFINITIONS

18. For the QuiltNSW Sydney Quilt Show, a quilt is considered to have at least 3 layers of fabric held together with stitching, except for:

- Category 4 and 9 (Other Techniques) for Coverlets only

- Category 13 (Art Quilt (Open))
- Category 14 (Pictorial Quilt (Open))

See the definition for these categories.

19. The quilt must be the maker's own work, including piecing, quilting, and binding if entered under one name, except for the following:
- Category 5 and Category 10 (Entrant's Quilt Top Quilted by Another)
 - Category 18 (Two Person Collaborative Quilt)
 - Category 19 (Group Collaborative Quilt)
 - Category 20 (Junior Entrant)
 - Category 21 (Youth Entrant)
 - Category 11 (For the Joy of Sharing)

20. JUNIOR & YOUTH ENTRANTS

The entry must be entirely the work of the entrant(s) unless entered in Category 5 (Entrant's Quilt Quilted by Another), where the entrant's quilt top may be quilted by another QuiltNSW member. Entrants may enter Categories 20 and 21 as individuals, two-person collaborations, or as part of a group. If entering as a two-person collaboration or group, the age of the eldest quilter is to be used to select whether the quilt is entered in category 20 or 21.

21. TWO-PERSON COLLABORATIVE

Any collaboration in which neither party has been paid for their services is eligible, including, but not limited to, the following examples.

- Where both people work together at every stage of creating the quilt.
- Where one person makes the quilt top and has creative input in the quilting design by another person, the quilter is not paid.
- Quilts are made from orphan blocks or antique tops, whereas the original maker is unknown.
- Where a person completed a quilt started by a maker who has died or is no longer quilting.

If a quilt is entered by 2 persons in the *Two-Person Collaborative Quilt* category (Category 18), they must both be members of QuiltNSW unless the second person has died or cannot be identified, and Condition 19 applies to them jointly. The quilt is judged as a joint entry; only one entrant is required to enter the quilt and counts as 1 of the 2 quilts allowed for each entrant. The prize is awarded to both entrants together.

22. GROUP/COLLABORATIVE

Three or more people make a quilt in a group/collaborative (Category 19). This includes friendship quilts. At least one person must be a member of QuiltNSW, and the quilt must be entered under that member's name. This quilt will be considered one of the two quilts allowed. Groups that hold a group membership with QuiltNSW may enter up to 2 quilts under the group's name.

23. ENTRANT'S QUILT TOP QUILTED BY ANOTHER

Enter Category 5 or Category 10 (Entrant's Quilt Top Quilted by Another) with your quilt top quilted by another. The quilter must be a financial member of QuiltNSW for the quilt to be accepted or eligible for a prize. The prize is awarded to the entrant, and the quilter is acknowledged.

These categories are for quilts where another person does any quilting and where payment is received. The quilting may have been done by hand, with a domestic sewing machine, a frame-mounted machine, a long-arm machine, or computer-aided stitching.

More than one entrant in these categories may use the services of the same quilter. For categories 5 and 10, the focus is on the quilt top, which is the work of one person. The quilting design should complement the quilt and enhance the overall impact.

24. MODERN QUILTS

For Categories 15, 16, and 17, a modern quilt must include one or more of the following characteristics: the use of bold colours and prints, high contrast and graphic areas of solid colour, improvisational piecing, minimalism, expansive negative space, asymmetry, and alternate grid work. For category 17 (*Modern Traditional*), quilt designs incorporate an identifiable traditional block pattern that has been updated by applying modern quilt characteristics, such as alternate grid work, asymmetry, and negative space. Quilting should be modern, well-executed, and offer a choice of thread to complement the quilt design.

25. ART QUILT

When choosing this category, please consider the following guidelines:

- Traditional design elements may be incorporated, but only in an innovative manner.
- Purchased fabric panels that are not extensively altered are not allowed.
- Motifs taken from commercial cloth may be used as elements in the work.
- Patterns that are someone else's pattern that you purchased are not an art quilt.
- Photos that are your own work into fibre constitute an original design.
- Altered works may or may not be considered an art quilt. For example, if you used someone else's quilt for a background, this would be using 'altered' works. You are not using the original work as an art quilt, but rather as an element in your design.
- It cannot be a copy; it must be more than decorating someone else's design.
- It cannot be a 'spoof' - such as adding a moustache on the "Mona Lisa".

26. Each category is for individual entrants only, except for.

- Category 11 (For the Joy of Sharing)
- Category 18 (Two-Person Collaborative Quilt)
- Category 19 (Group/Collaborative Quilt (Open))
- Category 20 (Junior)
- Category 21 (Youth)

The decision for the category entered is the sole responsibility of the maker/entrant.

27. PROFESSIONAL DEFINITION

At this quilt show, a Professional Quiltmaker or Quilter is defined as someone who:

- Has financial involvement, teaches or publishes in the field of quilting. Including 5 magazine articles in one calendar year or a career total of 10 magazine articles or
- Sells, designs, or participates in making quilts for ongoing 'financial gain'.

'Financial gain' is any amount above the cost of creating the quilt or any article, design, or teaching aid, including samples, notes, and travelling expenses.

The Committee has the final say in deciding an entrant's Amateur or Professional status. Once exhibited as a professional, amateur status cannot be resumed.

28. Any exhibitor entering a winning quilt as an Amateur and found to be of Professional status will forfeit their award and prize, even after the event.
29. Quilts accepted for Judging that have previously won a First, Excellence or Special Award at a 'Major Show' can only be considered for a category award and will not be eligible for Best of Show, Best of State, Excellence or Special Awards. A 'Major Show' is a State/Territory Guild's judged exhibition or competition, or a National/International judged exhibition or
