

# Tresillian Project QuiltNSW Members

**WE NEED YOU!**

## **Would you or your group like to be a part of this great initiative made possible by the generosity of the QuiltNSW Scholarship Grant Program?**

We are going to make the celebration quilt to mark the 100th Birthday in 2018 of the Tresillian Organisation in NSW. The plan is to make 3 large quilts each measuring 1.5 x 2.5 metres. They will hang in the foyer of the proposed new building on the Wollstonecraft site of Tresillian.

Tresillian's care and advice has played a very important role in the lives of many young families throughout NSW who need help with settling, feeding and coping with the very new world of parenting.

How you can participate:

Make an oak leaf and embroider it with your initials or a word that evokes a Tresillian memory for you.

Construct a disappearing 9 patch block, to make the oak tree that will be the corner stone of the three quilts.

Construct a disappearing 9 patch block for the backgrounds of the three quilts.

Make 7 x 1" hexagons to create the grass base of the quilts.

### **We will provide the necessary material and patterns**

If you would like to participate with this project we would love to hear from you. This invitation is open to individuals, groups and shop owners. There is more information on the QuiltNSW web site under 'events' with links for the three different categories.

We are keen to bring the community of QuiltNSW together to all play a part in creating this quilt of celebration.
